

Talent Intelligence Platform™

Client Impact

Talent Acquisition

Source, calibrate & hire candidates with AI

"No other platform can rediscover talent in an ATS like Eightfold can."

— Henry Jones, Director of Talent Acquisition, Conagra Brands

Talent Diversity

Remove bias, provide accountability, and deliver diversity

"Eightfold has helped us increase qualified female hiring by 19%."

— Ashish Mediratta, Associate Vice President HR, Tata Communications

Talent Management

Empower your employees to take control of their careers

"With Eightfold.ai, we have a platform that can scale our ability to provide meaningful work — part-time or full-time — for our people."

— Tore Haukanes, CEO, aijob

Talent Experience

Show the right jobs to every person instantly

"The Eightfold AI powered career site allows our candidates to upload their resume and it then picks out the jobs they are best suited for... it is game changing."

— Kevin Lenahan, Director of Talent Acquisition, Nutanix

Eightfold provides the Talent Intelligence Platform, the comprehensive solution for hiring, diversity, and retention all on a single AI-powered platform. With these new abilities, enterprises with Eightfold gain a competitive advantage in talent.
