

The Eightfold® Talent Intelligence Platform™ Delivers Talent Advantage for Enterprises

 eightfold.ai

Eightfold revolutionizes hiring, retention, candidate experience and diversity with its Talent Intelligence Platform. Using patented deep learning AI built with billions of data points, Eightfold creates unprecedented efficiency for talent operations. Moreover, the power of AI offers new abilities that are not possible with legacy, keyword-based technologies, such as talent development based on the capabilities of each individual.

In short, Eightfold empowers companies to find, nurture, hire, and keep the talent they want, so they can turn their talent processes into a source of competitive advantage.
